

## IntelliJet Progress 2015

---

### March 2015

➤ **American Society of Naval Engineers**

Presented peer-reviewed paper at ASNE Day 2015

<https://www.navalengineers.org/publications/symposiaproceedings/Pages/ASNEDay2015Proceedings.aspx>

<http://www.prweb.com/releases/2015/01/prweb12472370.htm>

### April 2015

➤ **Marine Propulsion Magazine (UK)**

IntelliJet nominated for Innovation Award by editors

### July 2015

➤ **Royal Institution of Naval Architects (RINA)**

Article published in July/August issue of Ship & Boat International, *Utilizing computational design for better efficiency*

[http://power.ijet.com/wp-content/uploads/2015/07/rina-sbi\\_jul-aug15\\_waterjets.pdf](http://power.ijet.com/wp-content/uploads/2015/07/rina-sbi_jul-aug15_waterjets.pdf)

### August 2015

- **Office of Naval Research** -- Presented a poster on Electronically Controlled Marine Jet Propulsion at forum on Expeditionary Warfare: The Amphibious High Water Speed Challenge

[http://power.ijet.com/wp-content/uploads/2015/08/IntelliJetONR\\_Poster\\_36X24.pdf](http://power.ijet.com/wp-content/uploads/2015/08/IntelliJetONR_Poster_36X24.pdf)

### September 2015

➤ **2015 Defense Innovation Challenge**

Approved and ranked "high-interest" for Showcase Display at

<http://defenseinnovation.us/> (Could not fit this trip into schedule.)

### October 2015

➤ **Cleantech Accelerator Program**, Pacific NW Region

Accepted into program in May, 2015 and graduated October, 2015.

**Paper: Boats: *Technology Laggards of Transportation Industry***
